The commission shall hear and decide promptly and in reasonable order all applications for a license to operate a sports pool, shall have the general responsibility for the implementation of this section and shall have all other duties specified in this section with regard to the operation of a sports pool. The license to operate a sports pool shall be in addition to any other license required to be issued to operate a gaming facility. No license to operate a sports pool shall be issued by the commission to any entity unless it has established its financial stability, integrity and responsibility and its good character, honesty and integrity.

No later than five years after the date of the issuance of a license and every five years thereafter or within such lesser periods as the commission may direct, a licensee shall submit to the commission such documentation or information as the commission may by regulation require, to demonstrate to the satisfaction of the executive director of the commission that the licensee continues to meet the requirements of the law and regulations.

concerning square footage, design, equipment, security measures and related matters which the commission shall by regulation prescribe.

twenty-seven of this article and in accordance with the regulations promulgated by the commission.

[(g)] (i) If any provision of this article or its application to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this article which can be given effect without the invalid provision or application, and to this end the provisions of this article are severable.

4. (a) All persons employed directly in wagering-related activities conducted within a sports wagering lounge shall be licensed as a casino key employee or registered as a gaming employee, as determined by the commission. All other employees who are working in the sports wagering lounge may be required to be registered, if appropriate, in accordance with regulations of the commission.

(b) Each operator of a sports pool shall designate one or more casino key employees who shall be responsible for the operation of the sports pool. At least one such casino key employee shall be on the premises whenever sports wagering is conducted.

5. Except as otherwise provided by this article, the commission shall have the authority to regulate sports pools and the conduct of sports wagering under this article to the same extent that the commission regulates other gaming. No casino shall be authorized to operate a sports pool unless it has produced information, documentation, and assurances concerning its financial background and resources, including cash reserves, that are sufficient to demonstrate that it has the financial stability, integrity, and responsibility to operate a sports pool. In developing rules and regulations applicable to sports wagering, the commission shall examine the regulations implemented in other states where sports wagering is conducted and shall, as far as practicable,
adopt a similar regulatory framework. The commission shall promulgate regulations necessary to carry out the provisions of this section, including, but not limited to, regulations governing the:

(a) amount of cash reserves to be maintained by operators to cover winning wagers;
(b) acceptance of wagers on a series of sports events;
(c) maximum wagers which may be accepted by an operator from any one patron on any one sports event;

The rules shall specify the amounts to be paid on winning wagers and the effect of schedule changes. The house rules, together with any other information the commission deems appropriate, shall be conspicuously displayed in the sports wagering lounge and included in the terms and conditions of the account wagering system, and copies shall be made readily available to patrons.

7. (a) Each casino that offers sports wagering shall annually submit a report to the commission no later than the twenty-eighth of February of each year, which shall include the following information:

(ii) the total amount of prizes awarded to authorized sports bettors;

(iii) the total amount of sports wagering gross revenue received by the casino;

(iv) the total amount of sports wagering royalties received pursuant to subdivision eight of this section;

(v) the total amount of wagers received on each sports governing body's sporting events;

(vi) the total number of authorized sports bettors that requested to exclude themselves from sports wagering; and

(vii) any additional information that the commission deems necessary to carry out the provisions of this article.

(b) Upon the submission of such annual report, to such extent that the commission deems it to be in the public interest, the commission shall be authorized to conduct a financial audit of any casino, at any time, to ensure compliance with this article.

(c) The commission shall annually publish a report based on the aggregate information provided by all casinos pursuant to paragraph (a) of this subdivision, which shall be published on the commission's website no later than one hundred eighty days after the deadline for the submission of individual reports as specified in such paragraph (a).

8. Within thirty days of the end of each calendar quarter, a casino offering sports wagering shall remit to the commission a sports wagering royalty of up to one-quarter of one percent of the amount wagered on sports events, however, in no case shall the royalty be greater than two percent of the casino's sports wagering gross revenue. The fee shall be remitted on a form as the commission may require, on which the casino
shall identify the percentage of wagering during the reporting period attributable to each sport governing body's sports events.

9. For the privilege of conducting sports wagering in the state, casinos shall pay a tax equivalent to eight and one-half percent of their sports wagering gross revenue.

10. The commission shall pay into the commercial gaming revenue fund established pursuant to section ninety-seven-nnnn of the state finance law eighty-five percent of the state tax imposed by this section; any interest and penalties imposed by the commission relating to those taxes; all penalties levied and collected by the commission; and the appropriate funds, cash or prizes forfeited from sports wagering. The commission shall pay into the commercial gaming fund five percent of the state tax imposed by this section to be distributed for problem gambling education and treatment purposes pursuant to paragraph a of subdivision four of section ninety-seven-nnnn of the state finance law. The commission shall pay into the commercial gaming fund five percent of the state tax imposed by this section to be distributed for the cost of regulation pursuant to paragraph c of subdivision four of section ninety-seven-nnnn of the state finance law. The commission shall pay into the commercial gaming fund five percent of the state tax imposed by this section to be distributed in the same formula as market origin credits pursuant to section one hundred fifteen-b of this chapter. The commission shall require at least monthly deposits by the casino of any payments pursuant to subdivision nine of this section, at such times, under such conditions, and in such depositories as shall be prescribed by the state comptroller. The deposits shall be deposited to the credit of the state commercial gaming revenue fund. The commission shall require a monthly report and reconciliation statement to be filed with it on or before the
tenth day of each month, with respect to gross revenues and deposits received and made, respectively, during the preceding month.

11. The commission may perform audits of the books and records of a casino, at such times and intervals as it deems appropriate, for the purpose of determining the sufficiency of tax payments. If a return required with regard to obligations imposed is not filed, or if a return when filed or is determined by the commission to be incorrect or insufficient with or without an audit, the amount of tax due shall be determined by the commission. Notice of such determination shall be given to the casino liable for the payment of the tax. Such determination shall finally and irrevocably fix the tax unless the casino against whom it is assessed, within thirty days after receiving notice of such determination, shall apply to the commission for a hearing in accordance with the regulations of the commission.

12. Nothing in this section shall apply to interactive fantasy sports offered pursuant to article fourteen of this chapter. Nothing in this section authorizes any entity that conducts interactive fantasy sports offered pursuant to article fourteen of this chapter to conduct sports wagering unless it separately qualifies for, and obtains, authorization pursuant to this section.

13. A casino that is also licensed under article three of this chapter, and must maintain racing pursuant to paragraph (b) of subdivision one of section thirteen hundred fifty-five of this article, shall be allowed to offer pari-mutuel wagering on horse racing events in accordance with their license under article three of this chapter. Notwithstanding subparagraph (ii) of paragraph c of subdivision two of section one thousand eight of this chapter, a casino located in the city of Schenectady shall be allowed to offer pari-mutuel wagering on horse
racing events, provided such wagering is conducted by the regional off-track betting corporation in such region as the casino is located. Any other casino shall be allowed to offer pari-mutuel wagering on horse racing events, provided such wagering is conducted by the regional off-track betting corporation in such region as the casino is located. Any physical location where pari-mutuel wagering on horse racing events is offered by a casino and conducted by a regional off-track betting corporation in accordance with this subdivision shall be deemed to be a branch location of the regional off-track betting corporation in accordance with section one thousand eight of this chapter. Mobile sports betting kiosks located on the premises of affiliates in accordance with paragraph (d) of subdivision five of section thirteen hundred sixty-seven-a of this title shall not be allowed to offer pari-mutuel wagering on horse racing events.

14. A sports governing body may notify the commission that it desires to restrict, limit, or exclude wagering on its sporting events by providing notice in the form and manner as the commission may require. Upon receiving such notice, the commission shall review the request in good faith, seek input from the casinos on such a request, and if the commission deems it appropriate, promulgate regulations to restrict such sports wagering. If the commission denies a request, the sports governing body shall be afforded notice and the right to be heard and offer proof in opposition to such determination in accordance with the regulations of the commission. Offering or taking wagers contrary to restrictions promulgated by the commission is a violation of this section. In the event that the request is in relation to an emergency situation, the executive director of the commission may temporarily
prohibit the specific wager in question until the commission has the opportunity to issue temporary regulations addressing the issue.

15. (a) The commission shall designate the division of the state police to have primary responsibility for conducting, or assisting the commission in conducting, investigations into abnormal betting activity, match fixing, and other conduct that corrupts a betting outcome of a sporting event or events for purposes of financial gain.

(b) The commission and casinos shall cooperate with investigations conducted by sports governing bodies or law enforcement agencies, including but not limited to providing or facilitating the provision of account-level betting information and audio or video files relating to persons placing wagers; provided, however, that the casino be required to share any personally identifiable information of an authorized sports bettor with a sports governing body only pursuant to an order to do so by the commission or a law enforcement agency or court of competent jurisdiction.

(c) Casinos shall immediately report to the commission any information relating to:

(i) criminal or disciplinary proceedings commenced against the casino in connection with its operations;

(ii) abnormal betting activity or patterns that may indicate a concern with the integrity of a sporting event or events;

(iii) any potential breach of the relevant sports governing body's internal rules and codes of conduct pertaining to sports wagering, as they have been provided by the sports governing body to the casino;

(iv) any other conduct that corrupts a betting outcome of a sporting event or events for purposes of financial gain, including match fixing; and
(v) suspicious or illegal wagering activities, including use of funds derived from illegal activity, wagers to conceal or launder funds derived from illegal activity, using agents to place wagers, using confidential non-public information, and using false identification.

The commission shall also immediately report information relating to conduct described in subparagraphs (ii), (iii) and (iv) of this paragraph to the relevant sports governing body.

(d) Casinos shall maintain the confidentiality of information provided by a sports governing body to the casino, unless disclosure is required by this section, the commission, other law, or court order.

(e) The commission, by regulation, may authorize and promulgate any rules necessary to implement agreements with other states, or authorized agencies thereof to enable the sharing of information to facilitate integrity monitoring and the conduct of investigations into abnormal betting activity, match fixing, and other conduct that corrupts a betting outcome of a sporting event or events for purposes of financial gain.

16. (a) Casinos shall use whatever data source they deem appropriate for determining the result of sports wagering involving tier one sports wagers.

(b) Casinos shall only use official league data in all sports wagering involving tier two sports wagers, if the relevant sports governing body possesses a feed of official league data, and makes such feed available for purchase by the casinos on commercially reasonable terms as determined by the commission.

(c) A sports governing body may notify the commission that it desires to require casinos to use official league data in sports wagering involving specific tier three sports wagers by providing notice in the
form and manner as the commission may require. Upon receiving such
notice, the commission shall review the request, seek input from the
casinos on such a request, and if the commission deems it appropriate,
promulgate regulations to require casinos to use official league data on
sports wagering involving such tier three sports wagers if the relevant
sports governing body possesses a feed of official league data, and
makes such feed available for purchase by the casinos on commercially
reasonable terms as determined by the commission.

(d) When determining whether or not a supplier of official league data
is offering commercially reasonable terms, the commission shall consider
the amount charged by the supplier of official league data to gaming
operators in other jurisdictions. This information shall be provided to
the commission by the supplier of official league data upon request of
the commission. Any entity providing data to a casino for the purpose of
tier two sports wagers, other than a supplier of official league data,
shall obtain a license as a casino vendor enterprise and such license
shall be issued pursuant to the provisions of section one thousand three
hundred twenty-seven of this article and in accordance with the regu-
lations promulgated by the commission.

(e) No casino shall enter into an agreement with a sports governing
body or an entity expressly authorized to distribute official league
data to be the exclusive recipient of their official league data.

(f) If an error occurs in the payment of a sports wager the casino
shall bear the cost of any overpayment. In the event of under-payment or
non-payment of a wager alleged by an authorized sports bettor to be a
winning wager:
(i) the casino shall accept timely claims, pay each claim, or a part
thereof, which it determines to be valid; notice shall be given to any
claimant whose claim is rejected.

(ii) any authorized sports bettor whose claim is rejected by the casi-
no may, within fifteen days from the date notice of rejection is
received, request the commission to determine the validity of the claim.
The failure to file such a request with the board within fifteen days
shall constitute a waiver of the claim, provided the claimant has
received notice of a right to appeal to the commission.

(iii) a hearing before the commission shall be held on each claim
timely filed, and the commission may determine a claim to be valid, in
whole or in part, and thereafter order the casino to make payment
accordingly. In determining whether a claim is valid the commission
shall utilize the statistics, results, outcomes, and other data relating
to a sporting event that have been obtained from the relevant sports
governing body. Any such determination shall be final and binding on
all parties.

(iv) claims not filed with the casino within thirty days inclusive of
the date on which the under-payment was discovered shall be deemed
waived, and the casino shall have no further liability therefor.

17. (a) Casinos shall maintain records of all bets and wagers placed,
including personally identifiable information of the mobile sports
wagering bettor, amount and type of bet, time the bet was placed,
location of the bet, including IP address if applicable, the outcome of
the bet, records of abnormal betting activity, and video camera
recordings in the case of in-person wagers for at least three years
after the sporting event occurs and make such data available for
inspection upon request of the commission or as required by court order.
(b) If a sports governing body has notified the commission that real-time information sharing for wagers placed on sporting events is necessary and desirable, casinos shall share in real time, at the account level, and in pseudonymous form, the information required to be retained pursuant to paragraph (a) of this subdivision (other than video files) with the commission, and the commission shall share in real time the information with the sports governing body or its designee with respect to wagers on its sporting events.

(c) The commission shall cooperate with a sports governing body and casinos to ensure the timely, efficient, and accurate sharing of information.

18. A casino shall not permit sports wagering by anyone they know, or should have known, to be a prohibited sports bettor.

19. Sports wagering conducted pursuant to the provisions of this section is hereby authorized.

20. The conduct of sports wagering in violation of this section is prohibited.

21.
