Gaming Equipment 	We would like to   	We believe that this will enhance the customer experience and allow the New Jersey Casinos to remain competitive with other jurisdictions that already offer this feature.	5:12-102 There is no requirement that we are aware of in the ACT that would need to be changed.
Casino Credit 	We would like the ability to    	We believe this would enhance service to our casino patrons and enhance the flow of the table games and generate more revenue. This would make New Jersey Casinos more competitive with other gaming jurisdictions. 	5:12-101 There is no requirement that we are aware of in the ACT that would need to be changed  Would need to be revised.
Casino Credit Collections	We would like the ability to have the Credit Department handle collections.	We believe that this would increase efficiency as the Casino Licensee would not have to employ a separate collections department.	5:12-101 (e) There is no requirement that we are aware of in the ACT that would need to be changed 13:69D 1.29 would need revisions.

<p>Private Gaming</p> <p>Ability to create and designate spaces as private gaming.</p>	<p>We would like the ability to create private (VIP) gaming spaces that are not visible to the general public. We would like the ability to have these spaces on the casino floor or in the hotel.</p> <p>These spaces would be accessible by the Division and have full Surveillance capabilities. We would like to introduce mobile applications.</p>	<p>We believe that this will enhance the customer experience and allow the New Jersey Casinos to remain competitive with other jurisdictions that already offer this type of VIP gaming spaces.</p> <p>This proposal has negative impact on gross gaming revenue and should increase slot (gross gaming) revenue.</p>	<p>5:12-102 There is no requirement that we are aware of in the ACT that would need changed.</p>

Promotions	We would like the ability to conduct casino promotion and or tournaments without providing a 5 day notice to the Division.	This will allow the Casino to increase business.	5:12-102 There is no requirement that we are aware of in the ACT that would need to be changed We do not see any regulation that would prohibit this.
