## SECTION C

### DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

#### C.1 **SCOPE**

The District and the OCFO Office of Contracts on behalf of the DC Lottery is seeking a Contractor to provide general lottery and sports wagering advisory services.

#### C.2 **BACKGROUND**

- C.2.1 The DC Lottery’s mission is to provide revenue-generating entertainment through the sale of innovative lottery products and promotions that directly benefit the residents and the economic vitality of the District of Columbia. Since its inception, the DC Lottery’s total contribution has been over \$2.1 billion to the District's General Fund. The Lottery's annual transfer to the General Fund remains a vital component in aiding the city's economy, thereby benefiting all residents of the District of Columbia, as well as suburban commuters and tourists. The General Fund supports services such as education, recreation and parks, public safety, housing, and senior and child services. The DC Lottery directly benefits its players by paying out more than 50 percent of annual sales in prize money, which totals more than \$3 billion to date. The Lottery also directly benefits local businesses by providing commissions to retailers licensed to sell DC Lottery games and offering contracting opportunities.
- C.2.2 The DC Lottery is unique. It is the only city lottery in the United States and operates with federal restrictions that prevent it from selling in certain areas that have the highest day-time population. The Washington D.C. metropolitan area is the eighth most expensive media market in the U.S.
- C.2.3 On December 18, 2018 the Council of the District of Columbia approved the Bill 22-944, the “Sports Wagering Lottery Amendment Act of 2018,” which legalizes sports wagering in the District and designates the DC Lottery as the regulator of private operators. It also designates the DC Lottery as an operator through a District-wide digital/mobile platform and network of licensed retailers. This new law positioned the District as the first jurisdiction in the District, Maryland and Virginia (DMV) market to legalize sports wagering, an advantageous position given this highly-competitive gaming region. The District will be the only jurisdiction in the U.S. to provide opportunities for small, locally-owned-and-operated businesses, as well as larger entities and organizations, to participate in and profit from this newly-available gaming category. The District, as a whole, stands to gain financial and marketplace advantages by expeditiously launching sports wagering before Maryland and Virginia enter this limited market. This first-to-market advantage cannot be underestimated as the District seeks to maximize revenues from sports wagering ahead of its neighboring jurisdictions.

C.3.2.7 If, in the reasonable judgment of the Contracting Officer, a known conflict substantially impacts the fair and equitable performance of this Contract, the Contract may be deemed voidable or terminated, depending on the circumstances surrounding the conflict.

Deliveries at any other time will not be accepted unless specific arrangements have been previously made with the contact person identified in the contract at the delivery point.

## SECTION E

### INSPECTION, ACCEPTANCE AND WARRANTY OF SERVICES

#### E.1 INSPECTION

- E.1.1 All supplies and services provided by the Contractor under this contract shall be subject to inspection by the Contracting Officer's Technical Representative ("COTR") identified in Section G.1 (b).
- E.1.2 Inspection of Supplies
- (a) Definition. "Supplies," as used in this clause, includes, but is not limited to raw materials, components, intermediate assemblies, end products, and lots of supplies.
  - (b) The Contractor shall be responsible for the materials or supplies covered by this contract until they are delivered at the designated point, but the Contractor shall bear all risk on rejected materials or supplies after notification of rejection. Upon the Contractor's failure to cure within ten (10) days after date of notification, the District may return the rejected materials or supplies to the Contractor at the Contractor's risk and expense.
  - (c) The Contractor shall provide and maintain an inspection system acceptable to the District covering supplies under this contract and shall tender to the District for acceptance only supplies that have been inspected in accordance with the inspection system and have been found by the Contractor to be in conformity with contract requirements. As part of the system, the Contractor shall prepare records evidencing all inspections made under the system and the outcome. These records shall be kept complete and made available to the District during contract performance and for as long afterwards as the contract requires. The District may perform reviews and evaluations as reasonably necessary to ascertain compliance with this paragraph. These reviews and evaluations shall be conducted in a manner that will not unduly delay the contract work. The right of review, whether exercised or not, does not relieve the Contractor of the obligations under this contract.
  - (d) The District has the right to inspect and test all supplies called for by the contract, to the extent practicable, at all places and times, including the period of manufacture, and in any event before acceptance. The District will perform inspections and tests in a manner that will not unduly delay the work. The District assumes no contractual obligation to perform any inspection and test for the benefit of the Contractor unless specifically set forth elsewhere in the contract.
  - (e) If the District performs inspection or test on the premises of the Contractor or subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, without additional charge, all reasonable facilities and assistance for the safe and convenient performance of these duties. Except as otherwise provided in the contract, the District will bear the expense of District inspections or tests made at other than Contractor's or subcontractor's premises; provided, that in case of rejection, the District will not be liable for any reduction in the value of inspection or test samples.
    - (1) When supplies are not ready at the time specified by the Contractor for

inspection or test, the Contracting Officer may charge to the Contractor the additional cost of inspection or test.

- (2) Contracting Officer may also charge the Contractor for any additional cost of inspection or test when prior rejection makes re-inspection or retest.
- (f) The District has the right either to reject or to require correction of nonconforming supplies. Supplies are nonconforming when they are defective in material or workmanship or otherwise not in conformity with contract requirements. The District may reject nonconforming supplies with or without disposition instructions.
  - (g) The Contractor shall remove supplies rejected or required to be corrected. However, the Contracting Officer may require or permit correction in place, promptly after notice, by and at the expense of the Contractor. The Contractor shall not tender for acceptance corrected or rejected supplies without disclosing the former rejection or requirement for correction, and when required, shall disclose the corrective action taken.
  - (h) If the Contractor fails to remove, replace, or correct rejected supplies that are required to be replaced or corrected within ten (10) days, the District may either (1) by contract or otherwise, remove, replace or correct the supplies and charge the cost to the Contractor or (2) terminate the contract for default. Unless the Contractor corrects or replaces the supplies within the delivery schedule, the Contracting Officer may require their delivery and make an equitable price reduction. Failure to agree to a price reduction shall be a dispute.
  - (i) If this contract provides for the performance of District quality assurance at source, and if requested by the District, the Contractor shall furnish advance notification of the time (i) when Contractor inspection or tests will be performed in accordance with the terms and conditions of the contract, and (ii) when the supplies will be ready for District inspection.
  - (j) The District request shall specify the period and method of the advance notification and the District representative to whom it shall be furnished. Requests shall not require more than 2 business days of advance notification if the District representative is in residence in the Contractor's plant, nor more than 7 business days in other instances.
  - (k) The District will accept or reject supplies as promptly as practicable after delivery, unless otherwise provided in the contract. District failure to inspect and accept or reject the supplies shall not relieve the Contractor from responsibility, nor impose liability upon the District, for non-conforming supplies.
  - (l) Inspections and tests by the District do not relieve the Contractor of responsibility for defects or other failures to meet contract requirements discovered before acceptance. Acceptance shall be conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or as otherwise provided in the contract.
  - (m) If acceptance is not conclusive for any of the reasons in subparagraph (l) hereof, the District, in addition to any other rights and remedies provided by law, or under provisions of this contract, shall have the right to require the Contractor (1) at no increase in contract price, to correct or replace the defective or nonconforming supplies at the original point of delivery or at the Contractor's plant at the Contracting Officer's election, and in accordance with a reasonable delivery schedule as may be agreed upon between the Contractor and the Contracting Officer; provided, that the Contracting Officer may require a reduction in contract price if the Contractor fails to meet such delivery schedule, or (2) within a reasonable time after receipt by the Contractor of notice of defects or noncompliance, to repay such portion of the contract as is equitable

under the circumstances if the Contracting Officer elects not to require correction or replacement. When supplies are returned to the Contractor, the Contractor shall bear the transportation cost from the original point of delivery to the Contractor's plant and return to the original point when that point is not the Contractor's plant. If the Contractor fails to perform or act as required in (1) or (2) above and does not cure such failure within a period of 10 days (or such longer period as the Contracting Officer may authorize in writing) after receipt of notice from the Contracting Officer specifying such failure, the District will have the right to return the rejected materials at Contractor's risk and expense or contract or otherwise to replace or correct such supplies and charge to the Contractor the cost occasioned the District thereby.

### E.1.3 Inspection of Services

- (a) Definition. "Services" as used in this clause includes services performed, workmanship, and material furnished or utilized in the performance of services.
- (b) The Contractor shall provide and maintain an inspection system acceptable to the District covering the services under this contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the District during contract performance and for as long afterwards as the contract requires.
- (c) The District has the right to inspect and test all services called for by the contract, to the extent practicable at all times and places during the term of the contract. The District will perform inspections and tests in a manner that will not unduly delay the work.
- (d) If the District performs inspections or tests on the premises of the Contractor or subcontractor, the Contractor shall furnish, without additional charge, all reasonable facilities and assistance for the safety and convenient performance of these duties.
- (e) If any of the services do not conform to the contract requirements, the District may require the Contractor to perform these services again in conformity with contract requirements, at no increase in contract amount. When the defects in services cannot be corrected by performance, the District may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect value of services performed. If the Contractor fails to promptly perform the services again or take the necessary action to ensure future performance in conformity to contract requirements, the District may (1) by contract or otherwise, perform the services and charge the Contractor any cost incurred by the District that is directly related to the performance of such services, or (2) terminate the contract for default.

## E.2 ACCEPTANCE

Acceptance of all products and services provided under this contract shall be performed by the COTR. Acceptance means approval by the COTR of specific services as partial or complete performance of the contract.

## E.3 WARRANTY OF SERVICES

- E.3.1 The time period for this warranty provision is the life of the contract plus all active options and extensions.

E.3.2 Warranty Provision:

- (a) Notwithstanding inspection and acceptance by the District or any provision concerning the conclusiveness thereof, the Contractor warrants that all services performed under this contract will, at the time of acceptance, be free from defects in workmanship and conform to the requirements of this contract. The Contracting Officer shall give written notice of any defect or nonconformance to the Contractor within 30 days from the date of discovery. This notice shall state either:
  - (1) That the Contractor shall correct or re-perform any defective or nonconforming services; or
  - (2) That the District does not require correction or reperformance.
- (b) If the Contractor is required to correct or reperform, it shall be at no cost to the District, and any services corrected or reperformed by the Contractor shall be subject to this clause to the same extent as work initially performed. If the Contractor fails or refuses to correct or reperform, the Contracting Officer may, by contract or otherwise, correct or replace with similar services and charge to the Contractor the cost occasioned to the District thereby, or make an equitable adjustment in the contract price.
- (c) If the District does not require correction or reperformance, the Contracting Officer shall make an equitable adjustment in the contract price.

**SECTION F**

**PERIOD OF PERFORMANCE AND DELIVERABLES**

**F.1 TERM OF CONTRACT**

The term of the contract shall be for a period of one year from the Contract Effective Date.

**F.2 OPTION TO EXTEND THE TERM OF THE CONTRACT**

F.2.1 The District may extend the term of this Contract for a period of four (4), one-year option periods, or successive fractions thereof, by written notice to the Contractor before the expiration of the contract; provided that the District will give the Contractor preliminary written notice of its intent to extend before the contract expires. The preliminary notice does not commit the District to an extension. The exercise of this option is subject to the availability of funds at the time of the exercise of this option.

F.2.2 If the District exercises this option, the extended contract shall be considered to include this option provision.

F.2.3 The price for the option period shall be as specified in the Section B of the contract.

- (b) **Claims by the District against a Contractor:** Claim as used in paragraph (b) of this clause, means a written demand or written assertion by the District seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to this contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

- (1) The Contracting Officer shall decide all claims by the District against a Contractor arising under or relating to a contract.
  - (2) The Contracting Officer shall send written notice of the claim to the Contractor. The Contracting Officer's written decision shall do the following:
    - (i) Provide a description of the claim or dispute;
    - (ii) Refer to the pertinent contract terms;
    - (iii) State the factual areas of agreement and disagreement;
    - (iv) State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;
    - (v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;
    - (vi) Indicate that the written document is the Contracting Officer's final decision; and
    - (vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.
  - (3) The Contracting Officer shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.
  - (4) Before or after issuing the decision, the CO may meet with the Contractor to attempt to resolve the claim by agreement.
  - (5) The authority contained in this paragraph (b) shall not apply to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another District agency is specifically authorized to administer, settle, or determine.
  - (6) This paragraph shall not authorize the Contracting Officer to settle, compromise, pay, or otherwise adjust any claim involving fraud.
- (c) Decisions of the Contracting Officer shall be final and not subject to review unless an administrative appeal or action for judicial review is timely commenced by the Contractor as authorized by D.C. Official Code §2-360.04.
  - (d) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the Contracting Officer.

## **I.8 CHANGES**

The Contracting Officer may, at any time, by written order, and without notice to the surety, if any, make changes in the contract within the general scope hereof. If such changes cause an

increase or decrease in the cost of performance of this contract, or in the time required for performance, an equitable adjustment shall be made. Any claim for adjustment under this paragraph must be asserted within ten (10) days from the date the change is offered, provided, however, that the Contracting Officer, if he determines that the facts justify such action, may receive, consider and adjust any such claim asserted at any time prior to the date of final settlement of the contract. If the parties fail to agree upon the adjustment to be made, the dispute shall be determined as provided in Section I.7. Nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.

## **I.9 TERMINATION FOR DEFAULT**

- A. The District may, subject to the provisions of paragraph C., below, by written notice of default to the Contractor, terminate the whole or any part of this contract in any one of the following circumstances: (i) If the Contractor fails to make delivery of the supplies or to perform the services within the time specified within the project work plan or any extension thereof; or (ii) If the Contractor fails to perform any of the other provisions of this contract, or so fails to make progress as to endanger performance of this contract in accordance with its terms and in either of these two circumstances does not cure such failure within a period of ten (10) days (or such longer period as the Contracting Officer may authorize in writing) after receipt of notice from the Contracting Officer specifying such failure.
- B. In the event the District terminates this contract in whole or part as provided in paragraph A. above, the District may procure, upon such terms and in such manner as the Contracting Officer may deem appropriate, supplies or service similar to those so terminated; and the Contractor shall be liable to the District for any excess costs for similar supplies or services. Provided, that the Contractor shall continue the performance of this contract to the extent not terminated under provisions of this clause. The Contractor shall work with any subsequent contractor to ensure a smooth transfer of information for a period of sixty (60) days.
- C. Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises out of causes beyond the control and without the fault or negligence of the contractor. Such causes may include, but are not restricted to, acts of God or of public enemy, acts of the District or Federal Government in either their sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of the subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any excess cost for failure to perform, unless the supplies or services to be furnished by the contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.
- D. If this contract is terminated as provided in paragraph A., above, the District in addition to any other rights provided in this clause, may require the Contractor to transfer title and deliver to the District, in the manner and to the extent directed by the Contracting Officer, (i) completed supplies, (ii) such partially completed supplies and materials, information, and

contract rights (herein after called “manufacturing materials”) as the Contractor has specifically produced or specifically produced or specifically acquired for the performance being terminated; and the Contractor, shall, upon direction of the Contracting Officer, protect and preserve property in possession of the Contractor in which the District has an interest. Payment for completed supplies delivered to and accepted by the District shall be at the contract price. Payment for manufacturing materials delivered to and agreed upon by the Contractor and Contracting Officer; failure to agree to such amount shall be a dispute concerning a question of fact. The District may withhold from amounts otherwise due the Contractor for such completed supplies or manufacturing materials such sums as the Contracting Office determines to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders.

- E. If, after notice of termination of this contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provision of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for a termination for convenience be the same as if the notice of termination had been issued pursuant to such clause. Section I.10 “Termination for Convenience.”
- F. The rights and remedies of the District provided in this clause shall not be exclusive and are in addition to any rights and remedies provided by law or under this contract.
- G. As used in paragraph C., above, the terms “subcontractor” and “subcontractors” means subcontractor(s) at any tier.

**I.10 TERMINATION FOR CONVENIENCE**

(a) The District may terminate performance of work under this contract in whole or, from time to time, in part if the Contracting Officer determines that a termination is in the District’s interest. The Contracting Officer shall terminate by delivering to the Contractor a Notice of Termination specifying the extent of termination and effective date.

(b) After receipt of a Notice of Termination, and except as directed by the Contracting Officer, the Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this clause:

- (1) Stop work as specified in the notice.
- (2) Place no further subcontracts or orders (referred to as subcontracts in this clause) for materials, services, or facilities, except as necessary to complete the continued portion of the contract.
- (3) Terminate all contracts to the extent they relate to the work terminated.
- (4) Assign to the District, as directed by the Contracting Officer, all rights, title and interest of the Contractor under the subcontracts terminated, in which case the District

will have the right to settle or pay any termination settlement proposal arising out of those terminations.

(5) With approval or ratification to the extent required by the Contracting Officer, settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts. The approval or ratification will be final for purposes of this clause.

(6) As directed by the Contracting Officer, transfer title and deliver to the District (i) the fabricated or unfabricated parts, work in process, completed work, supplies, and other materials produced or acquired for the work terminated, and (ii) the completed or partially completed plans, drawings, information, and other property that, if the contract has been completed, would be required to be furnished to the District.

(7) Complete performance of the work not terminated.

(8) Take any action that may be necessary, or that the Contracting Officer may direct, for the protection and preservation of the property related to this contract that is in the possession of the Contractor and in which the District has or may acquire an interest.

(9) Use its best efforts to sell, as directed or authorized by the Contracting Officer, any property of the types referred to in subparagraph (6) above; provided, however, that the Contractor (i) is not required to extend credit to any purchaser and (ii) may acquire the property under the conditions prescribed by, and at prices approved by, the Contracting Officer. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by the District under this contract, credited to the price or cost of the work, or paid in any other manner directed by the Contracting Officer.

(c) After the expiration of ninety (90) days (or such longer period as may be agreed to) after receipt by the Contracting Officer of acceptable inventory schedules, the Contractor may submit to the Contracting Officer a list, certified as to quantity and quality of termination inventory not previously disposed of excluding items authorized for disposition by the Contracting Officer. The Contractor may request the District to remove those items or enter into an agreement for their storage. Within fifteen (15) days, the District will accept title to those items and remove them or enter into a storage agreement. The Contracting Officer may verify the list upon removal of the items, or if stored, within forty-five (45) days from submission of the list, and shall correct the list, as necessary, before final settlement.

(d) After termination, the Contractor shall submit a final termination settlement proposal to the Contracting Officer in the form and with the certification prescribed by the Contracting Officer. The Contractor shall submit the proposal promptly, but no later than one year from the effective date of termination, unless extended in writing by the Contracting Officer upon written request of the Contractor within this one-year period. However, if the Contracting Officer determines that the facts justify it, a termination settlement proposal may be received and acted on after one year or any extension. If the Contractor fails to submit the proposal within the time allowed, the Contracting Officer may determine, on the basis of information available, the

amount, if any, due to the Contractor because of the termination and shall pay the amount determined.

(e) Subject to paragraph (d) above, the Contractor and the Contracting Officer may agree upon the whole or any part of the amount to be paid because of the termination. The amount may include a reasonable allowance for profit on work done. However, the agreed amount, whether under this paragraph (e) or paragraph (f) below, exclusive of costs shown in subparagraph (f)(3) below, may not exceed the total contract price as reduced by (1) the amount of payment previously made and (2) the contract price of work not terminated. The contract shall be amended, and the Contractor paid the agreed amount. Paragraph (f) below shall not limit, restrict, or affect the amount that may be agreed upon to be paid under this paragraph.

(f) If the Contractor and the Contracting Officer fail to agree on the whole amount to be paid because of the termination work, the Contracting Officer shall pay the Contractor the amounts determined by the Contracting Officer as follows, but without duplication of any amounts agreed on under paragraph (e) above:

(1) The contract price for completed supplies or services accepted by the District (or sold or acquired under subparagraph (b)(9) above) not previously paid for, adjusted for any saving of freight and other charges.

(2) The total of :

(i) The costs incurred in the performance of the work terminated, including initial costs and preparatory expense allocable thereto, but excluding any costs attributable to supplies or services paid or to be paid under subparagraph (f)(1) above;

(ii) The cost of settling and paying termination settlement proposals under terminated subcontracts that are properly chargeable to the terminated portion of the contract if not included in subparagraph (f)(1) above; and

(iii) A sum, as profit on subparagraph f(1) above, determined by the Contracting Officer to be fair and reasonable; however, if it appears that the Contractor would have sustained a loss on the entire contract had it been completed, the Contracting Officer shall allow no profit under this subparagraph (iii) and shall reduce the settlement to reflect the indicated rate of loss.

(3) The reasonable cost of settlement of the work terminated, including-

(i) Accounting, legal, clerical, and other expenses reasonably necessary for the preparation of termination settlement proposals and supporting data;

(ii) The termination and settlement of subcontractors (excluding the amounts of such settlements); and

(iii) Storage, transportation, and other costs incurred, reasonably necessary for the preservation, protection, or disposition of the termination inventory.

(g) Except for normal spoilage, and except to the extent that the District expressly assumed the risk of loss, the Contracting Officer shall exclude from the amounts payable to the Contractor under paragraph (f) above, the fair value as determined by the Contracting Officer, of property that is destroyed, lost, stolen, or damaged so as to become undeliverable to the District or to a buyer.

(h) The Contractor shall have the right of appeal, under the Disputes clause, from any determination made by the Contracting Officer under paragraphs (d), (f) or (j), except that if the Contractor failed to submit the termination settlement proposal within the time provided in paragraph (d) or (j), and failed to request a time extension, there is no right of appeal. If the Contracting Officer has made a determination of the amount due under paragraph (d), (f) or (j), the District will pay the Contractor (1) the amount determined by the Contracting Officer if there is no right of appeal or if no timely appeal has been taken, or (2) the amount finally determined on an appeal.

(i) In arriving at the amount due the Contractor under this clause, there shall be deducted:

- (1) All unliquidated advances or other payments to the Contractor under the termination portion of the contract;
- (2) Any claim which the District has against the Contractor under this contract; and
- (3) The agreed price for, or the proceeds of sale of, materials, supplies, or other things acquired by the Contractor or sold under the provisions of this clause and not recovered by or credited to the District.

(j) If the termination is partial, the Contractor may file a proposal with the Contracting Officer for an equitable adjustment of the price(s) of the continued portion of the contract. The Contracting Officer shall make any equitable adjustment agreed upon. Any proposal by the Contractor for an equitable adjustment under this clause shall be requested within ninety (90) days from the effective date of termination unless extended in writing by the Contracting Officer.

(k) (1) The District may, under the terms and conditions it prescribes, make partial payments and payments against costs incurred by the Contractor for the terminated portion of the contract, if the Contracting Officer believes the total of these payments will not exceed the amount to which the Contractor shall be entitled.

(2) If the total payments exceed the amount finally determined to be due, the Contractor shall repay the excess to the District upon demand together with interest computed at the rate of 10 percent (10%) per year. Interest shall be computed for the period from the date the excess payment is received by the Contractor to the date the excess payment is repaid. Interest shall not be charged on any excess payment due to a reduction in the

Contractor's termination settlement proposal because of retention or other disposition of termination inventory until 10 days after the date of the retention or disposition, or a later date determined by the Contracting Officer because of the circumstances.

(l) Unless otherwise provided in this contract or by statute, the Contractor shall maintain all records and documents relating to the terminated portion of this contract for 3 years after final settlement. This includes all books and other evidence bearing on the Contractor's costs and expenses under this contract. The Contractor shall make these records and documents available to the District, at the Contractor's office, at all reasonable times, without any direct charge. If approved by the Contracting Officer, photographs, micrographs, or other authentic reproductions may be maintained instead of original records and documents.

#### **I.11 TERMINATION OF CONTRACTS FOR CERTAIN CRIMES AND VIOLATIONS**

A. The District may terminate without liability any contract and may deduct from the contract price or otherwise recover the full amount of any fee, commission, percentage, gift, or consideration paid in violation of this title if:

(1) the Contractor has been convicted of a crime arising out of or in connection with the procurement of any work to be done or any payment made under this contract.

(2) There has been any breach or violation of:

(A) Any provision of the District of Columbia Procurement Practices Reform Act of 2010, (D.C. Law 18-371; D.C. Official Code §§ 2-351.01, et seq., or

(B) The contract provision against contingent fees.

B. If a contract is terminated pursuant to this section, the Contractor: (i) May be paid only the actual costs of the work performed to the date of termination, plus termination costs, if any; and (ii) shall refund all profits or fixed fees realized under the contract.

C. The rights and remedies contained in this Clause are in addition to any other rights or remedies provided by law, and the exercise of any of them is not a waiver of any other right or remedy provided by law.

#### **I.12 EXAMINATION OF THE BOOKS**

I.12.1 The Contractor shall establish and maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting principles and practices which sufficiently and properly reflect all revenues and expenditures of funds provided by the District under the contract that results from this solicitation. The Contractor shall retain all records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to the contract for a period of three (3) years after termination of the contract, or if an audit has been initiated and audit findings have not been resolved at the end of three (3) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of the

contract. The Contractor shall assure that these records shall be subject at all reasonable times to inspection, review, or audit by Federal, District, or other personnel duly authorized by the Contracting Officer.

I.12.2 The Contracting Officer, the DC Inspector General, OCFO, and the District of Columbia Auditor, and/or any of their duly authorized representatives shall, until three years after final payment, have the right to examine any directly pertinent books, documents, papers, and records of the Contractor involving transactions related to the contract.

**I.13 NON-DISCRIMINATION CLAUSE**

- (a) The Contractor shall not discriminate in any manner against any employee or applicant for employment that would constitute a violation of the District of Columbia Human Rights Act, approved December 13, 1977, as amended (D.C. Law 2-38; D.C. Official Code §2-1402.11) (2001 Ed.) (“Act” as used in this Section). The Contractor shall include a similar clause in all subcontracts, except subcontracts for standard commercial supplies or raw materials. In addition, Contractor agrees and any subcontractor shall agree to post in conspicuous places, available to employees and applicants for employment, notice setting forth the provisions of this non-discrimination clause as provided in Section 251 of the Act.
- (b) Pursuant to rules of the Office of Human Rights, published on August 15, 1986 in the D.C. Register, Mayor’s Order 2002-175 (10/23/02), 49 DCR 9883 and Mayor’s Order 2006-151 (11/17/06), 52 DCR 9351, the following clauses apply to this contract:
  - (1) The Contractor shall not discriminate against any employee or applicant for employment because of actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, disability, matriculation, political affiliation, genetic information, source of income, or place of residence or business. Sexual harassment is a form of sex discrimination which is prohibited by the Act. In addition, harassment based on any of the above protected categories is prohibited by the Act.
  - (2) The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, disability, matriculation, political affiliation, genetic information, source of income, or place of residence or business.

The affirmative action shall include, but not be limited to the following:

- (a) employment, upgrading or transfer;
- (b) recruitment or recruitment advertising;

- (c) demotion, layoff, or termination;
  - (d) rates of pay, or other forms of compensation; and
  - (e) selection for training and apprenticeship.
- (3) The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Contracting Agency, setting forth the provisions in subsections (b)(1) and (b)(2) concerning non-discrimination and affirmative action.
  - (4) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment pursuant to the non-discrimination requirements set forth in subsection (b)(2).
  - (5) The Contractor agrees to send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the contracting agency, advising the said labor union or workers' representative of that contractor's commitments under this nondiscrimination clause and the Act, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
  - (6) The Contractor agrees to permit access to his books, records and accounts pertaining to its employment practices, by the Chief Procurement Officer or designee, or the Director of Human Rights or designee, for purposes of investigation to ascertain compliance with this chapter, and to require under the terms of any subcontractor agreement each subcontractor to permit access of such subcontractor's books, records, and accounts for such purposes.
  - (7) The Contractor agrees to comply with the provisions of this chapter and with all guidelines for equal employment opportunity applicable in the District of Columbia adopted by the Director of the Office of Human Rights, or any authorized official.
  - (8) The Contractor shall include in every subcontract the equal opportunity clauses, subsections (b)(1) through (b)(9) of this section, so that such provisions shall be binding upon each subcontractor or vendor.
  - (9) The Contractor shall take such action with respect to any subcontract as the Contracting Officer may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or Contractor as a result of such direction by the Contracting

Officer, the Contractor may request the District to enter into such litigation to protect the interest of the District.

#### **I.14 SERVICE CONTRACT ACT OF 1965**

Definitions:

“Act”, as used in this clause, means the Service Contract Act of 1965, as amended (41 U.S.C. 351- 358). “Contractor” as used in this clause, means the prime Contractor or any subcontractor at any tier. “Service employee” as used in this clause, means any person (other than a person employed in a bona fide executive, administrative, or professional capacity as defined in 29 CFR 541) engaged in performing a Government contract nor exempted under 41 U.S.C. 356, the principal purpose of which is to furnish services in the United States as defined in section 22.1001 of the Federal Acquisition Regulation. It includes all such persons regardless of the actual or alleged contractual relationship between them and a contractor.

- A. **Applicability.** To the extent that the Act applies, this contract is subject to the following provisions and to all other applicable provisions of the Act and regulations of the Secretary of Labor (29CFR 4). All interpretations of the Act in Subpart C of 29 CFR 4 are incorporated in this contract by reference. This clause does not apply to contracts or subcontracts administratively exempted by the Secretary of Labor or exempted by 41 U.S.C. 356, as interpreted in Subpart C, 29 CFR 4.
- B. **Compensation:** (i) The Contractor shall pay not less than the minimum wage and shall furnish fringe benefits to each service employee under this contract in accordance with wages and benefits determined by the Secretary of Labor or the Secretary’s authorized representative, as specified in any attachments to this contract; (ii) If there is an attachment, the Contractor shall classify any class of service employees not listed in it, but to be employed under this contract. The classification shall provide a reasonable relationship to those listed in the attachment. The Contractor shall pay that class wages and fringe benefits determined by agreement of the interested parties: The contracting agency, the Contractor, and the employees who will perform the contract or their representatives. If the interested parties do not agree, the Contracting Officer shall submit the question, with a recommendation for final determination to the Office of Government Contract Wage Standards, Wage and Hour Division Employment Standards Administration (ESA), and the Department of Labor. Failure to pay such employees the compensation agreed upon by the interested parties or finally determined by ESA is a contract violation. (iii) If the term of this contract is more than one (1) year, the minimum wages and fringe benefits required for service employees under this contract shall be subject to adjustment after 1 year and not less often than once every two (2) years under wage determinations issued by ESA.
- C. **Minimum Wage.** In the absence of a minimum wage attachment for this contract, the Contractor shall not pay any service or other employees performing this contract less than the minimum wage specified by section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 206). Nothing in this clause shall relieve the Contractor of any other legal or contractual obligations to pay a higher wage to any employee.

- D. **Successor Contracts.** If this contract succeeds a contract subject to the Act under which substantially the same services were furnished and service employees were paid wages and fringe benefits provided for in a collective bargaining agreement, then, in the absence of a minimum wage attachment to this contract, the Contractor may not pay any service employee performing this contract less than the wages and benefits, including those accrued and any prospective increases, provided for under that agreement. No Contractor may be relieved of this obligation unless the limitations of 29 CFR 4.1c (b) apply or unless the Secretary of Labor or the Secretary's authorized representative - (i) Determines that the agreement under the predecessor was not the result of arms-length negotiations, or (ii) Finds, after a hearing under 29 CFR 4.10, that the wages and benefits provided for by that agreement vary substantially from those prevailing for similar services in the locality.
- E. **Notification to Employees.** The Contractor shall notify each service employee commencing work on this contract of the minimum wage and any fringe benefits required to be paid, or shall post a notice of these wages and benefits in a prominent and accessible place at the work site, using such poster as may be provided by the Department of Labor.
- F. **Safe and sanitary working conditions.** The Contractor shall not permit services called for by this contract to be performed in building or surroundings or under working conditions provided by or under the control or supervision of the Contractor that are unsanitary, hazardous, or dangerous to the health or safety of service employees. The Contractor shall comply with the health standards applied under 29 CFR Part 1925.
- G. **Records.** The Contractor shall maintain for three (3) years from the completion of the work, and make available for inspection and transcription by authorized ESA representatives, a record of the following:
- (i) For each employee subject to the Act –
    - (a) Name and address;
    - (b) Work classification or classifications, rate or rates of wages and fringe benefits provided;
    - (c) Rate or rates of payments in lieu of fringe benefits, and total daily and weekly compensation;
    - (d) Daily and weekly hours worked; and
    - (e) Any deductions, rebates, or refunds from total daily and weekly compensation.
  - (ii) For those classes of service employees not included in any wage determination attached to this contract, wage rates or fringe benefits determined by the

interested parties or by ESA under the terms of paragraph (B)(iii) of this clause. A copy of the report required by paragraph (D) of this clause will fulfill this requirement.

- H. **Withholding of Payments and Termination of Contract:** The Contracting Officer shall withhold from the prime contractor under this or any other government contract with the prime contractor any sums the Contracting Officer, or an appropriate officer of the Labor Department, decides may be necessary to pay underpaid employees. Additionally, any failure to comply with the requirements of this clause may be grounds for termination for default.
- I. **Contractor's Report:** (i) If there is a wage determination attachment to this contract and any classes of service employees not listed on it are to be employed under the contract, the Contractor shall report promptly to the Contracting Officer the wages to be paid and the fringe benefits to be provided each of these classes, when determined under paragraph C. of this clause. (ii) If wages to be paid or fringe benefits to be furnished any service employee(s) under the contract are covered in collective bargaining agreement effective at any time when the contract is being performed, the prime Contractor shall provide to the Contracting Officer a copy of the agreement and full information on the application and accrual of wages and benefits (including any prospective increases) to service employees working on the contract. The prime Contractor shall report when contract performance begins, in the case of agreements then in effect, and shall report subsequently effective agreements, provisions, or amendments promptly after they are negotiated.
- J. **Variations, tolerances, and exemptions involving employment:** Notwithstanding any of the provisions in this clause, the following employees may be employed in accordance with the following variations, tolerances, and exemptions authorized by the Secretary of Labor: (i) In accordance with regulations issued under Section 14, of the Fair Labor Standards Act of 1938 by the Administrator of the Wage and Hour Division, ESA(29 CFR 520, 521, 524 and 525), apprentices, student learners, and workers whose earning capacity is impaired by age or by physical or mental deficiency or injury, may be employed at wages lower than the minimum wages otherwise required by section 2(a)(1) or 2(b)(1) of the Service Contract Act, without diminishing any fringe benefits or payments in lieu of these benefits required under section 2(a)(2) of the Act. (ii) The Administrator will issue certificates under the Act for employing apprentices, and student learners, disabled persons, or disabled clients of sheltered workshops not subject to the Fair Labor Standards Act of 1938, or subject to different minimum rates of minimum wages, but without changing requirements concerning fringe benefits for supplementary cash payments in lieu of these benefits; (iii) The Administrator may also withdraw, annul, or cancel such certificates under 29 CFR 525 and 528; and (iv) an employee engaged in an occupation in which the employee customarily and regularly receives more than \$30 a month in tips credited by the employer against the minimum wage required by section 2(a)(1) of the Act or section 2(b)(1) of the Act, in accordance with regulations in 29 CFR 531. However, the amount of credit shall not exceed 40 percent of the minimum rate specified in section 6(a) (1) of the Fair Labor Standards Act of 1938, as amended.

**I.15 RECOVERY OF DEBTS OWED THE DISTRICT**

The Contractor hereby agrees that the District may use all or any portion of any consideration or refund due the Contractor under the present contract to satisfy in whole or part, any debt due the District.

**I.16 NON-DISCLOSURE AGREEMENT**

- A. The Contractor shall maintain as confidential, and shall not disclose to third parties without the District's prior written consent, any District information including, but not limited to, the District's business activities, practices, systems, conditions, products, services, public information and education plans and related materials, and game and marketing plans.
- B. The Contractor shall at all times obtain the prior written approval from the Contracting Officer before it, any of its officers, agents, employees or subcontractors, either during or after expiration or termination of the contract, make any statement, or issue any material, for publication through any medium of communication, bearing on the work performed or data collected under this contract.
- C. No information regarding the Contractor's performance of the contract shall be disclosed by the Contractor to anyone other than District Government officials unless written approval is obtained in advance from the Contracting Officer.
- D. The District shall ensure that its personnel do not disclose to any non-District person or organization information concerning the process the Contractor uses to provide services under the awarded contract.

**I.17 GOVERNMENT PROPERTY**

Contractor use of Government property shall be governed by Chapter 41 of Title 27 of the D.C. Municipal Regulations.

## SECTION M

### EVALUATION OF PROPOSALS

#### **M.1 EVALUATION FOR AWARD**

- M.1.1 The District intends to award a single contract to the responsive, responsible Offeror whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores will not necessarily be determinative of the award. Rather, the total scores will guide the District in making an intelligent award decision based upon the evaluation criteria that consists of a combination of experience and qualifications, pricing, and ability to meet the needs of the District.
- M.1.2 The District may award a contract on the basis of initial offers received, without further discussion. Therefore, each initial offer must contain the Contractor's best terms from a standpoint of price, technical standards, and other factors.
- M.1.3 The District reserves the right to request discussions/oral presentations from Offerors and will use the information derived from these discussions/oral presentations, if any, in its evaluation.

#### **M.1.4 Best and Final Offers**

If, subsequent to receiving original proposals, discussions are conducted, Offerors will be so notified and will be provided an opportunity to submit written best and final offers at the designated date and time. Best and Final Offers will be subject to the Late Submissions, Late Modifications and Late Withdrawals of Proposals provision of the solicitation. After receipt of Best and Final offers, no discussions will be reopened unless the Contracting Officer determines that it is clearly in the Government's best interest to do so, e.g., it is clear that information available at that time is inadequate to reasonably justify Contractor selection and award based on the best and final offers received. If discussions are reopened, the Contracting Officer will issue an additional request for Best and Final offers to all Offerors.

#### **M.1.5 Selection of Negotiation Process**

In accordance with 27 DCMR § 1632, after evaluation of the proposals using only the criteria stated in the RFP and in accordance with weightings provided in the RFP, the CO may elect to proceed with any method of negotiations, discussions or award of the contract without negotiations, which is set forth in subsections (a), (b), (c), or (d) of 27 DCMR § 1632.1.

#### **M.2 TECHNICAL RATING**

- M.2.1 The technical rating scale and guidelines for each technical evaluation factor identified in the solicitation is as follows:

<b>Rating</b>	<b>Score as a Percentage of Total Available Points for Criteria</b>	<b>Guidelines</b>
Excellent	90-100%	The response to the criteria is complete and well defined, providing relevant supporting details and examples. The response to this criteria indicates a high prospect for outstanding performance on the resulting contract. The expectations for this criteria are clearly met or exceeded.
Good	70-89%	The response to the criteria is generally complete and well defined, providing reasonably well developed responses with a good amount of relevant supporting details and examples. The response to this criteria indicates a moderate to high prospect for good performance on the resulting contract. Most of the expectations are met for this criteria.
Fair	50-69%	The response to the criteria is fairly complete, but lacking some definition or clarity. The response is not well developed to address the criteria and provides limited supporting details and examples. The response to this criteria indicates a prospect of achieving satisfactory performance on the resulting contract, but there may also be some risk. Few of the expectations are demonstrated to be met for this criteria.
Poor	49% or below	The response to the criteria is not complete or provides minimal information, lacking sufficient details and examples. The response to this criteria indicates a moderate to high risk of not achieving satisfactory performance on the resulting contract. Does not demonstrate ability to meet expectations for this criteria.

M.2.2 The technical rating is a guideline that will be applied to the point value for each technical evaluation factor or sub-factor to determine the Offeror's score for each factor. For example, if an evaluation factor has a maximum point value of 40, using the technical rating guidelines above, if the District evaluates the Offeror's response as "Good," then the score for that evaluation factor would fall between 28 to 35 (70% to 89% x 40). The Offeror's total technical score will be determined by adding the Offeror's score in each technical evaluation factor or sub-factor.

### **M.3 EVALUATION CRITERIA**

**M.3.2 Price Evaluation Criteria (30 Points Maximum)**

The price evaluation will be objective. Price evaluation will include the base period and option periods. Evaluation of option periods shall not obligate the District to exercise them. The offeror with the lowest price will receive the maximum price points. All other proposals will receive a proportionately lower total score. The following formula will be used to determine each offeror's evaluated price score:

$$\frac{\text{Lowest price proposal}}{\text{Price of proposal being evaluated}} \times \text{weight} = \text{Evaluated price score}$$
